

SMALL STEPS TOWARD BEING PREPARED FOR AN EMERGENCY

Hello,

Welcome to Do 1 Thing! Thank you for your support and we are happy that you have chosen to become a partner.

Do 1 Thing is a twelve-month preparedness program that focuses on a different area of emergency preparedness each month. Do 1 Thing is designed to help people take small steps toward personally preparing for emergencies or disasters. When you are prepared, you are better able to help your friends, neighbors, and community in a disaster.

The Do 1 Thing program was started in Mid-Michigan by local emergency managers and non-profit organizations, with a goal of making emergency preparedness easy and affordable for everyone.
